Capstone Project: Life Expectancy and GDP Data

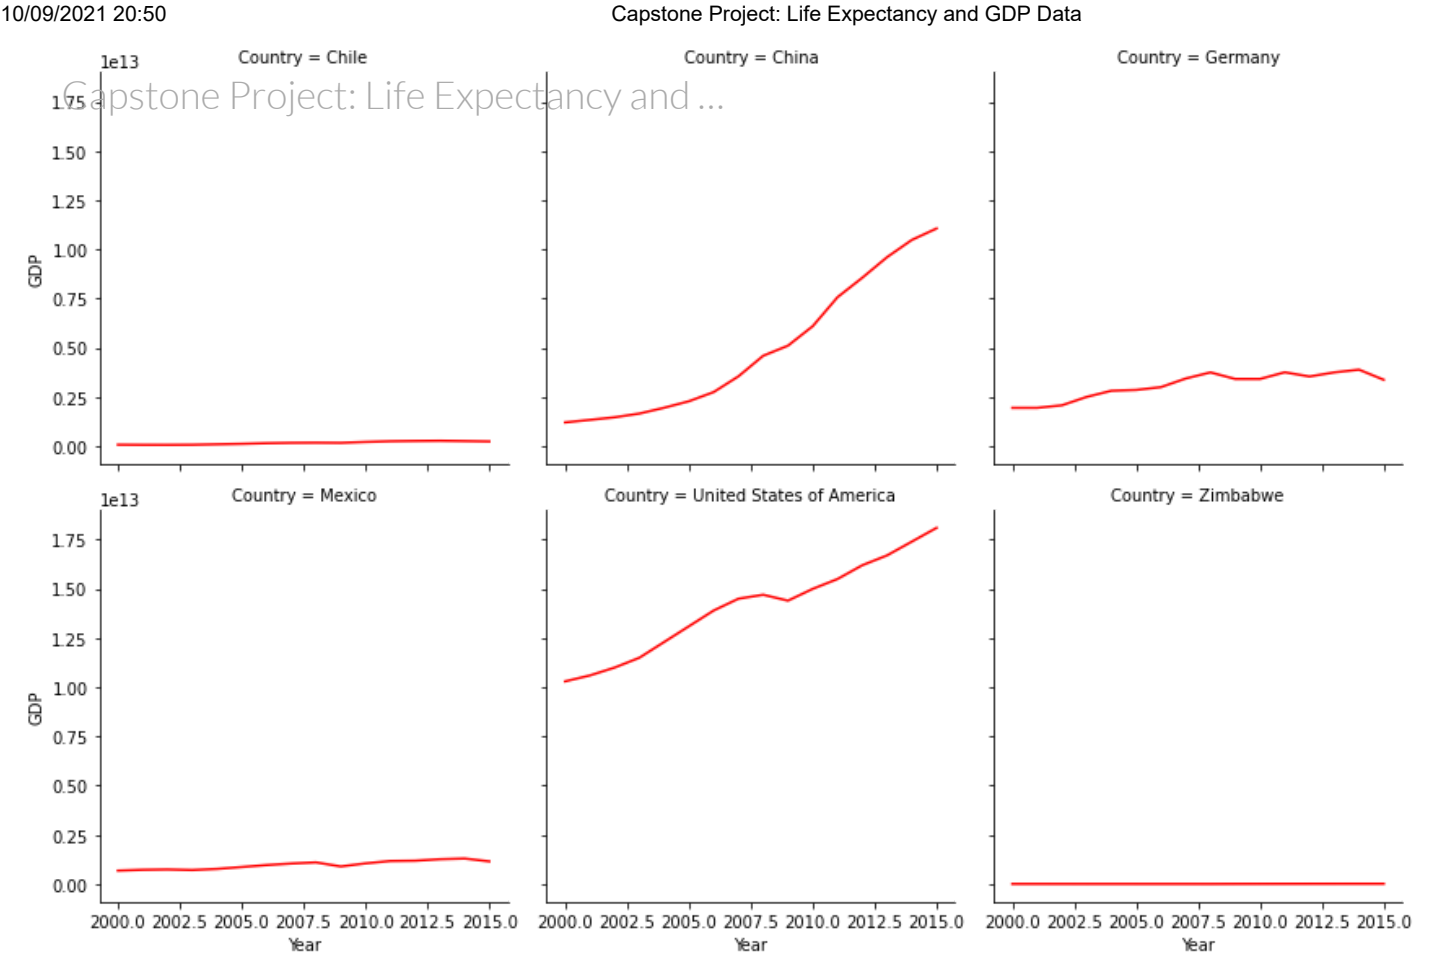

Zimbabwe's life expectancy has changed the most within the last years.

China and US have show the highest increase of GDP throughout the years.

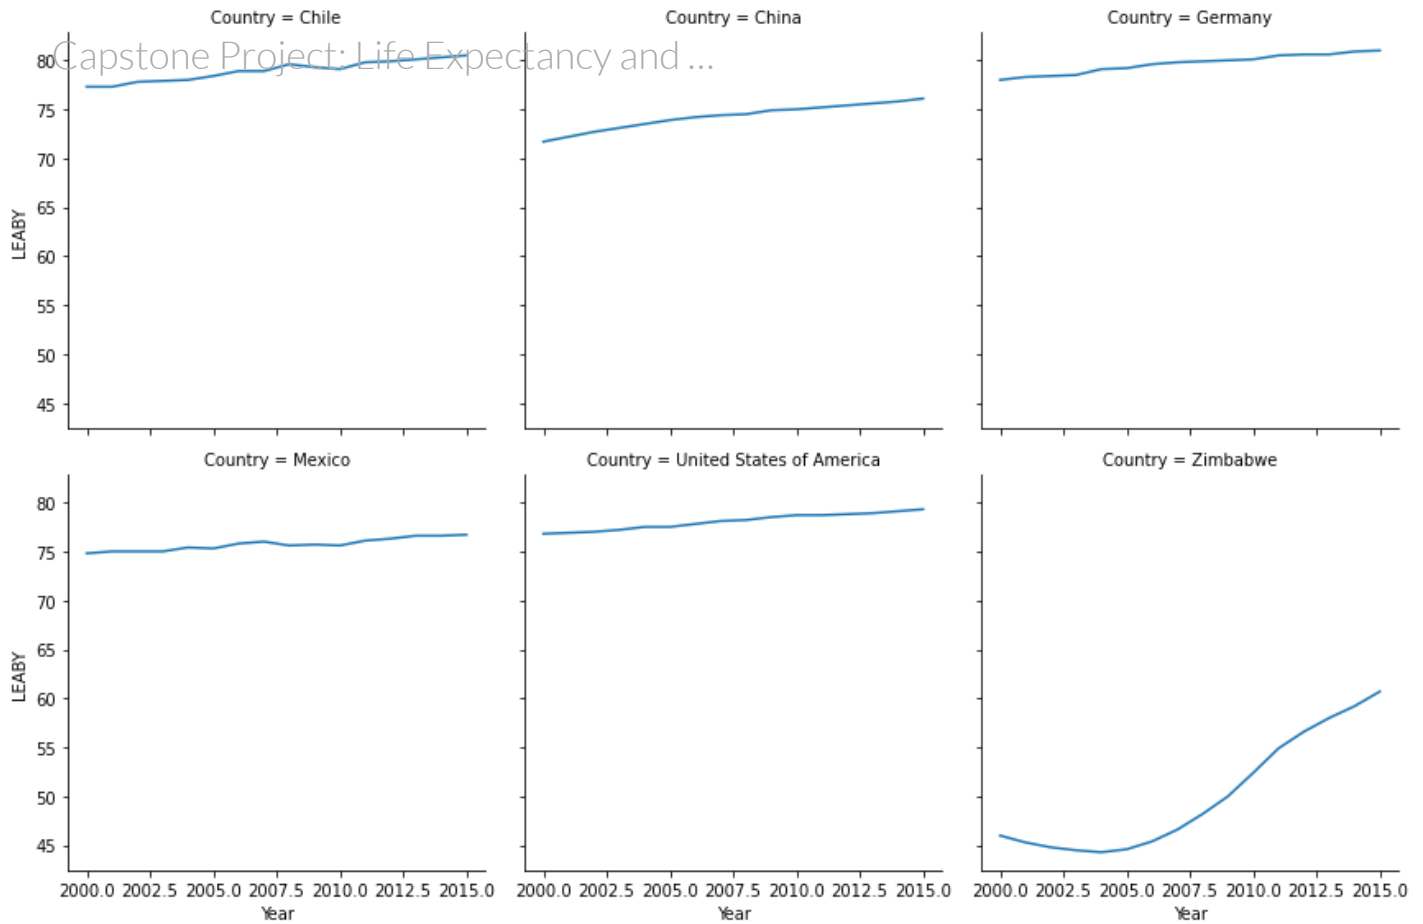

Zimbabwe shows an increasing LEABY throughout the years.

US and China racing for their GDP.

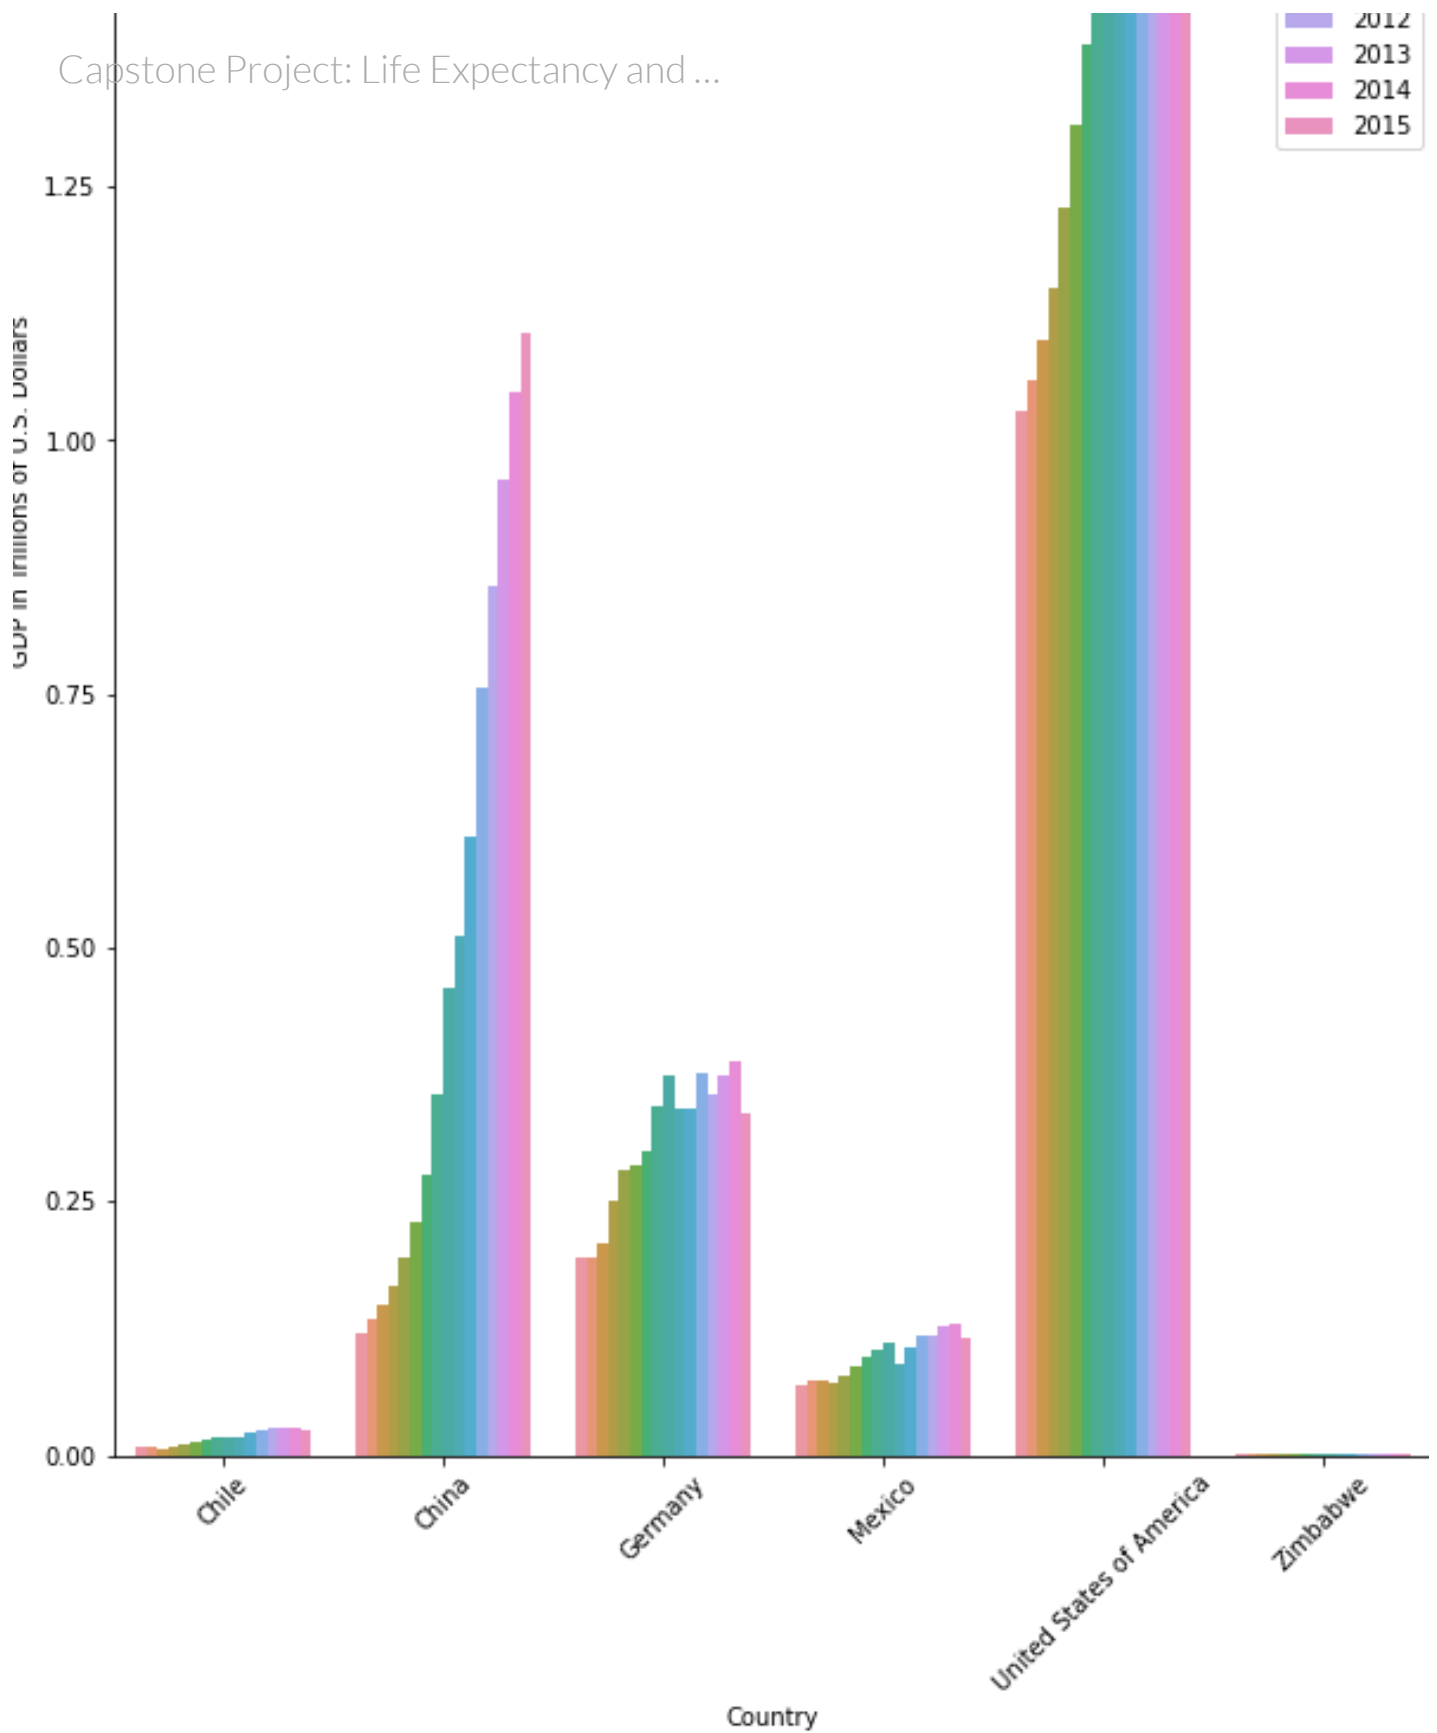

Zimbabwe shows the highest changes in LEABY in the most recent years.

No big changes for Mexico.

Data can be seen in nice color bars.

And this concludes this lecture.
